Docket No. 98N-1265

Food and Drug Administration 99 MAR 24 AIO:13

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I am opposed to any government intervention that will jeopardize my obtaining my compounded medication. No "one size fits all" HRT medication produced by the large pharmaceutical companies has relieved my symptoms of anxiety, sleeplessness, and memory problems that come with menopause. My specialty pharmacy provides me with the perfect medication for my symptoms
